

Ear Cushion Replacement Steps:

1. Begin separating old ear cushion from ear cup using a small knife or flat blade screwdriver (Fig. 1)
2. Peel back old cushion from ear cup (Fig. 2)
3. Remove and discard old cushion (Fig. 3)
4. Peel back and remove protective backing cover from new cushion (Fig. 4)
5. Place and properly align new cushion on ear cup (Fig. 5)
6. Firmly press down and attach new cushion to ear cup (Fig. 6)
